PRELIMINARY AMENDMENT

Assistant Commissioner for Patents Washington, D.C. 20231

March 12, 2002

Sir:

Prior to examination, please amend the above-referenced application as follows:

IN THE CLAIMS

Please amend claims 13 and/14 as follows:

A method of achieving electronic business transactions in an electronic business transaction system including a plurality of member sites, a center site, and a network to connect the member sites and the center site to each other, said method comprising:

storing information of open businesses issued by a plurality of member sites to find business partners in an open business information database in said center site;

1

receiving a request from a member site to access contents of said open business information database stored in said center site; and
